**About UN Tourism eLibrary**

The UN Tourism eLibrary is the largest online repository of publications and statistics in the field of tourism. It includes over 1,600 UN Tourism publications released to date, along with more than 900 regularly updated datasets and indicators. These cover inbound tourism (arrivals and overnight stays), outbound and domestic tourism, tourism industries, employment, and macroeconomic indicators related to tourism. The datasets are available in various formats to accommodate different research needs.

**UN Tourism Data Dashboard & Tourism Statistics**

The [UN Tourism Data Dashboard](#) offers detailed statistics and insights on key tourism indicators at the global, regional, and national levels, covering both inbound and outbound travel.

The screenshot displays the UN Tourism eLibrary website. At the top left, a red-bordered box contains the text "Access provided by O.P. Jindal Global University". The top navigation bar includes links for "UN Tourism", "Sign in", "Register", "Institutional Access", "Cart", and a language dropdown set to "English". Social media icons for Facebook, X, YouTube, LinkedIn, and Instagram are also present. The main header features the "eLibrary" logo on the left and the "UN Tourism" logo with the text "UNITED NATIONS WORLD TOURISM ORGANIZATION" on the right. Below the header is a dark blue navigation menu with links for "HOME", "TOURISM STATISTICS", "JOURNALS", "BOOKS", "BAROMETER", "HOW TO SUBSCRIBE", "FAQ", and "CONTACT US". A search bar is located below the menu, with a search icon, a text input field containing "Enter words / phrases / DOI / ISBN / authors / keywords / etc.", a dropdown menu set to "Anywhere", and "Search" and "Advanced search" buttons. The main content area is divided into two columns. The left column has a blue header "Welcome to the UN Tourism Elibrary" and contains two paragraphs of text describing the service. The right column has a grey header "UN Tourism Data Dashboard" and contains a paragraph of text describing the dashboard's features.
